

Date: 9th March 2026

To

The Respected Sports Director
SIES Graduate School of Technology
Nerul, Navi Mumbai

Subject: *Prior Intimation and Request for Attendance Consideration for Participation in Inter-College Kabaddi Tournament*

Respected Sir,

We, the undersigned students of SIES Graduate School of Technology, respectfully submit this letter to inform you in advance about our participation in an upcoming Inter-College Kabaddi Tournament and to request consideration of attendance for the same.

Our college team has been selected to participate in the tournament scheduled as follows:

- **10th, 11th and 12th of March 2026 at Thakur College of Engineering.**

As we will be representing SIES GST in this inter-collegiate sports event, we will be required to remain present at the respective venues on the above-mentioned dates, which may result in our absence from regular academic sessions.

In light of this, please consider our participation as official college representation and grant attendance for the corresponding dates. We assure you that we shall responsibly complete all academic requirements, including assignments and classwork, to ensure there is no impact on our studies.
